

An aerial view of a city skyline at sunset, with numerous skyscrapers and buildings. The sky is a warm orange color, and the city lights are visible. The text is overlaid on a yellow rectangular background.

Sharpen your knowledge....
... shape your future.

EDGE

The PwC Deals Graduate programme for EMEA

pwc.fi/edge

Show us your
many talents...

If you...

can see the **big picture** behind the numbers, you'll love being part of our inspiring Deals team. Your independent, creative and fresh thinking will allow you to develop valuable insights that help your clients.

You'll face...

all kinds of **intellectual challenges** and you'll always be part of an international team of smart thinkers and deal makers, working together to solve some of the most demanding questions in the deals environment.

If you think...

that there is **no problem that can't be solved**, you'll make a fantastic deals advisor. You'll surprise yourself with how good you really are and how quickly you grow.

If you look...

at **things from different angles**, you'll add value along the entire deals cycle. Add rigorous analysis and perseverance, and you'll have amazing opportunities working with other highly skilled and motivated deals professionals.

Edge aims to attract, develop and retain a new generation of diverse, technology savvy, well rounded and well networked graduates.

... and we'll give you the EDGE...

A three-year programme tailored by PwC across Europe, Middle East and Africa (EMEA) to launch your career in an international Deals environment.

Featuring a blend of international development opportunities, rotations in at least three Deals business units, online regular, professional and technical learning and the support to complete a professional qualification (e.g. CFA, where relevant).

During the three years of the programme you will have the opportunity to experience at least three of our Deals business units. By taking an active role in the work involved at each stage of a deal, you are going to develop into a well-rounded Deals advisor.

Corporate Finance

(M&A lead advisory, fund & debt advisory, valuations & analytics)

Deals Strategy

(Commercial due diligence & strategy)

Transaction Services

(Financial due diligence, IPO due diligence, independent business reviews)

Delivering Deal Value

(Integrations & carve-outs)

Capital Markets Services

(Listing and other securities sales, IFRS conversions, advice on prospectus and disclosure obligations)

... to become an international Deals expert.

Practical learning on the job combined with relevant training to provide you the technical and business skills you need to thrive. Opportunity for professional qualification, where relevant.

Build knowledge working in teams in talent-rich environment, listening and being listened to, helping you choose a Deals area you want to specialise in.

A lifelong network of colleagues and contacts. Build a network from the people you'll work with, the clients you'll advise and the influential people you'll meet.

Build broad experience across the whole deal cycle. Become a leading advisor in our international Deals business.

The experience **stays** with you.

The application period for candidates joining the Edge Deals Graduate 2021 programme through PwC Finland Helsinki office is open **from 8 December 2020 to 6 January 2021**. To learn more, visit our **Edge website** and apply [**here**](#).
